

**MAJOR - AGRICULTURAL SCIENCES
CONCENTRATION—AGRICULTURAL EDUCATION
ACADEMIC MAP: DEGREE BS (120 CREDIT HOURS)**

This degree map is a semester-by-semester course schedule for students majoring in [Agricultural Sciences with a concentration in Agricultural Education](#). The milestones listed to the right of each semester are designed to keep students on track to graduate in four years. The schedule serves as a general guideline to help build a full schedule each semester. Milestones are courses and special requirements necessary for timely progress to complete a major. When one or more milestones are missed, students should consult with an academic advisor to determine if another degree path would be more suitable.

The curricula in Agricultural Education are designed to prepare students for careers in School-based Agricultural Education, Leadership Development, and/or Extension. The School-based Agricultural Education (SBAE) program prepares students for careers in teaching. Students who choose the Teaching option will satisfy the Tennessee Department of Education’s requirements for teacher licensure in Agricultural Education and Agricultural Science.

Agricultural Education students who are not interested in teaching can pursue the Leadership Development and/or Extension option. This options will prepare students for supervisory or management positions in private companies and non-profits locally and internationally. It will prepare students for domestic and international careers in Extension through coursework and experiences in educational methods, adult education, leadership, and youth development (i.e. 4-H).

Students seeking teacher licensure must be admitted to the Teacher Education Program. To be admitted he/she must (a) complete all pre-requisite courses and earn a grade of “C” or better in those courses, (b) earn a GPA of 2.75 or better, and (c) score a 22 or better on the ACT, or score a 1020 or better on the SAT, or receive a passing score on the Praxis I exam. A Student must receive passing scores on the Praxis II exams (Content Knowledge and Principles of Learning and Teaching - Agriculture 7-12), to be admitted to Teacher Residency.

Tennessee State University recognizes that students have diverse learning, life, and professional experiences. The University provides opportunities for students to earn college credit toward the degree through a number of assessment options that evaluate their learning experiences. These paths are grouped under the category “Prior Learning Assessment” (PLA). Various means of earning PLA credit at TSU are the following: Advance Placement Programs, American Council of Education (ACE) Military Credit, American Council on Education (ACE) other Assessed Credit, College Level Exam Program (CLEP), DSSST Credit by Examination Program (includes DANTES Examination), Institutional Course Challenge Exams (Departmental Exams), International Baccalaureate Credit, Other Military Service, Portfolio Assessment, and State Dual Credit. To learn more about PLA contact your academic advisor or the Office of Student Support Services for Adult and Distance Learners (615) 963-7001.
