POINTS OF CONTACT	C/Col C. James, WG/CC; C/Lt. Col J. Forehand, OG/CC; C/Maj M. Weekes, SQ/CC; C/1 st Lt A. Hughes, Flt/CC; C/1 st Lt B. Williams, Flt/CC

ORM Considerations: Cadets should be mindful that safety is of key importance in all Air Force operations. Safety is the paramount issue in each Lead Lab.

1. Situation: Leadership Laboratory (LLAB) will meet for the eighth of thirteen training sessions scheduled for 25 October 2011.

2. Mission: Ensure all cadets adhere to the following schedule of events:

- a. Initial Formation
- b. Open Ranks Inspection
- c. Drill Practice
- d. Final Formation

3. Execution:

- a. All cadets will form up in the IMT classroom, KH 35.
- b. Leadership Laboratory will begin at 1600 (Immediately following dismissal of PAS and APAS).

***Note: In the case of inclement weather, LLAB will proceed as planned. Also, classroom locations are subject to change prior to the actual LLAB.**

Primary and Alternate Objectives:

The LLAB period accomplishes the following objectives as directed in the AY 11-12 Mission Directive:

CADETS	TIME	ACTIVITY	OBJECTIVES	LOCATION	OIC/COIC
ALL	1600-1610	Initial Formation		Drill Pad	C/Col James

32	Comprehend issues and topics given in a Commander's Call environment
IMT	TD-8's mission for the IMTs is to successfully complete an Open Ranks Inspection. <ul style="list-style-type: none"> • We will begin LLAB with Initial Formation. • Immediately following Initial Formation, IMTs will have Flt/CC Time • Next IMTs will complete an Open Ranks Inspection.

	<ul style="list-style-type: none"> • Next the IMTs will stay in the Drill Pad for Drill Practice. • Finally, they will transit to the IMT classroom for Final Formation.
FTP	<p>TD-8's mission for the FTPs is to successfully complete an Open Ranks Inspection.</p> <ul style="list-style-type: none"> • We will begin LLAB with Initial Formation. • Next, FTPs will have Flt/CC Time • FTPs will then complete an Open Ranks Inspection. • FTPs will stay in the Drill Pad for Drill Practice. • They will attend Final Formation in the IMT classroom.
ICL/ SCL	The OG staff will lead the IMTs and FTPs in their daily activities. The OG staff will ensure that all cadets follow the orders of the day and achieve the lesson objectives. Members will be in place at 1550.
Logistics	<ul style="list-style-type: none"> • Information Management will take attendance. • Logistics will support the Wing.
Mission Support	<ul style="list-style-type: none"> • Mission Support will assist the Wing.
Operations Group	<ul style="list-style-type: none"> • Flight Commanders will evaluate their cadets during the ORI and Drill Practice. • Squadron Commanders will assist and evaluate the flight commanders.

Safety and Security:

- Operational Risk Management:** Proper caution will be taken when traveling to and from Leadership Lab. Cadets will use handrails when walking on stairs. Areas where cadets could trip will be avoided or drawn to their attention. Cadets will take all safety precautions possible in order to create a safe and energetic learning environment. Risk level for this activity is very low.
- Security Risk Management:** Ensure computer information and other personal information is kept secure. Cadets will maintain safe practices on campus.

Additional Weekly Activities

- The IG and the Assistant IG will evaluate the GMC for the Honor Squadron Program.
- Arnold Air Society will meet after LLAB.
