

Resume

PRABODH ILLUKPITIYA

Department of Agricultural Business and Leadership
Tennessee State University
3500 John A. Merritt Blvd, Nashville TN 37209
Tel: (808) 963-1877, e-mail: pillukpi@tnstate.edu

EDUCATION

PhD (Agricultural and Resource Economics), University of Hawaii at Manoa, USA
MS (Management of Natural Resources), Norwegian University of Life Sciences, Norway
BS (Agriculture) University of Peradeniya, Sri Lanka

PRESENT EMPLOYMENT

Professor & Chair – Department of Agricultural Business and Education, Tennessee State University (07/01/2023 – present).

Associate Professor – Dept. of Agricultural and Environmental Sciences, Tennessee State University (07/01/2017 – 06/30/2023).

Assistant Professor – Dept. of Agricultural and Environmental Sciences, Tennessee State University (08/16/2011 – 06/30-/2017).

Recognitions: Outstanding Teaching Faculty, College of Agriculture (2023), Advisor of the Year, College of Agriculture (2024), Certificate of honor, thesis advisors and dissertation committee Chairs, Tennessee State University (2024), Appreciation of Service to the Department (2022-2023), Program Specialist (Agribusiness), Accrediting Bureau of Health Education Schools (ABHES), Dewey University, Puerto Rico (2024), Outstanding Research Faculty, College of Agriculture (2018), Program Volunteer, USAID F2F program in Bangladesh (2016) Visiting Scholar, Dalian Nationalities University, China (2010 & 2012), Outstanding service award, East West Center, Honolulu, Hawaii.

DISSERTATIONS/THESES – THESIS CHAIR

1. Designing smart contracts: Buyer attitudes towards participating in Blockchain Technology. MS Thesis, Tennessee State University, Summer, 2024. Devashish Bhandari (Thesis Chair, **P. Illukpitiya**).
2. Economics of mungbean production in southern USA MS Thesis, Tennessee State University, Summer 2024. Satya Tiwari (Thesis Chair, **P. Illukpitiya**).
3. An examination of opportunities and constraints of marketing local foods in Tennessee. MS Thesis, Tennessee State University, Fall, 2021, Blessing Ajumbobi (Thesis Chair, **P. Illukpitiya**)
4. Analysis of household's vulnerability of food insecurity and its including factors in Tennessee. MS Thesis, Tennessee State University, Fall, 2021, Tyrell Doss (Thesis Chair, **P. Illukpitiya**)
5. Economic Analysis of investment opportunities for alfalfa pellet production. MS Thesis, Tennessee State University, May, 2020, Desiree Robertson (Thesis Chair, **P. Illukpitiya**)
6. An Economic Analysis of production of American ginseng in the Southeastern Region. MS Thesis, Tennessee State University, May, 2018, Avis Ortiz (Thesis Chair, **P. Illukpitiya**)
7. Economic analysis of plantation biomass production from sweetgum for co-firing with coal in electricity generation. MS Thesis, Tennessee State University, May, 2018, Firuz Yuldashev (Thesis Chair, **P. Illukpitiya**)
8. An examination of social media as a marketing tool for Tennessee small farmers. MS Thesis, Tennessee State University, May, 2017, George Davis (Thesis Chair, **P. Illukpitiya**)
9. Analysis of US consumer demand and consumption patterns for fresh food. MS Thesis, Tennessee State University, August, 2016, Pramatta Khanal (Thesis Chair, **P. Illukpitiya**)
10. Economic analysis of utilization of corn stover for bioenergy production. MS Thesis, Tennessee State University, August, 2016, Ibukun Alegbeleye (Thesis Chair, **P. Illukpitiya**)
11. Comparative economic analysis of on-farm biodiesel production from soybean and sunflower under small scale setting. MS Thesis, Tennessee State University, December 2015, Suraj Adhikari (Thesis Chair, **P. Illukpitiya**)
12. Economic competitiveness of Paulownia as a feedstock for ethanol production. MS Thesis, Tennessee State University, December, 2015, Kuldeep Sing (Thesis Chair, **P. Illukpitiya**)
13. Cost analysis of harvesting, hauling and storage of switchgrass for ethanol biorefineries. MS Thesis, Tennessee State University, May 2015, Yayuan Jin (Thesis Chair, **P. Illukpitiya**)
14. Economic Analysis of small scale on-farm biodiesel production from winter oil seed crops. MS Thesis, Tennessee State University, May 2015, Abimbola Akinya (Thesis Chair, **P. Illukpitiya**)
15. Economic viability and energy efficiency of ethanol production from switchgrass and miscanthus in Tennessee. MS Thesis. Tennessee State University, May 2014, Ankit Bansal (Thesis Chair – **P. Illukpitiya**)

DISSERTATIONS/THESES – Committee Member

1. Impact of agricultural practices on nitrous oxide emission from corn and soybean fields. PhD Dissertation, Avedananda Ray, Tennessee State University (External Committee Member, **P. Illukpitiya**). In progress
2. Choice of marketing channels, constraints, and the effect on the financial performance of small farms in Tennessee. MS Thesis, Purushotam Dungana, Tennessee State University (Thesis Committee Member, **P. Illukpitiya**). Summer 2024.
3. Land access and succession planning among beginning, young farmers in the state of Tennessee. MS Thesis, Christian Smith, Tennessee State University (Thesis Committee Member, **P. Illukpitiya**). Spring 2025.
4. Agricultural insurance adoption: A micro-level analysis in the context of Tennessee small farmers. MS Thesis, Sujan Ghimire, Tennessee State University (Thesis Committee Member, **P. Illukpitiya**). Fall, 2024.
5. Consumer willingness to pay for hemp-based products. MS Thesis, Jaden Hall, Tennessee State University (Thesis Committee Member, **P. Illukpitiya**).
6. Influence of plant nutrients on selected food crops (*Solanum lycopersicum*, *Vaccinium corymbosum*, *Citrus hystrix* *Rubus* species). PhD Dissertation, Tennessee State University, 2024, Steven Kennedy (Thesis Committee Member – **P. Illukpitiya**).
7. Best management practices of nutrient management for container grown horticultural species using 4R Nutrient stewardship. PhD Dissertation, Tennessee State University, 2024, Sunil Gurung (Thesis Committee Member – **P. Illukpitiya**).
8. Economic contributions of local food systems: A case study of Tennessee. MS Thesis, Tennessee State University, summer 2021, Ajai Oluwatoni (Thesis Committee Member – **P. Illukpitiya**)
9. Factors influencing the adoption of agritourism among small farmers in Tennessee. MS Thesis, Tennessee State University, spring 2021, Reginald Holland (Thesis Committee Member – **P. Illukpitiya**)
10. Blue growth and developing countries: Role of consumer preference for eco labels. MS Thesis, Tennessee State University, spring 2021, Renu Ojay (Thesis Committee Member – **P. Illukpitiya**)
11. Economic impacts of forestry and forest product industries in Tennessee. MS Thesis, Tennessee State University, August, 2019, Ummey Honey (Thesis Committee Member – **P. Illukpitiya**)
12. Financing your agricultural farm: Credit constraint, financing sources, and farm financial performance of small farmers in Tennessee. MS Thesis, Tennessee State University, December, 2018, Omobolaji Omobitan (Thesis Committee Member – **P. Illukpitiya**)
13. Food safety in Saudi Arabia: An examination of perceptions and attitudes. MS Thesis, Tennessee State University, December, 2017, Faisal Almotari (Thesis Committee Member – **P. Illukpitiya**)
14. An evaluation of online marketing as an option for goat meat marketing in Tennessee. MS Thesis, Tennessee State University, December, 2016, Mikhail Miller (Thesis Committee Member – **P. Illukpitiya**)
15. Evaluation of goat meat consumption in Tennessee. MS Thesis. Tennessee State University, December, 2016, Faith Sang (Thesis committee Member – **P. Illukpitiya**)

16. Information technology use by small farmers in Tennessee. MS Thesis, Tennessee State University, December, 2016, James Warimu (Thesis Committee Member – **P. Illukpitiya**)
17. Improving organic sweet potato (*Ipomea batata*) production, nutritional and cost benefit analysis in Tennessee. PhD Dissertation. Tennessee State University, August, 2017, Sochinwechi Nwosisi (PhD Committee Member – **P. Illukpitiya**)
18. Influence of sub-optimal macro & micro nutrient concentrations – growth and development of cucumbers and broccoli. MS Thesis, Tennessee State University, May, 2016, Garrett Morris (Thesis Committee Member – **P. Illukpitiya**)
19. Consumer preferences and willingness to pay more for organic foods by Tennessee consumers. MS Thesis. Tennessee State University, August 2015, Kofi Baryeh (Thesis Committee Member – **P. Illukpitiya**)
20. Meat goat enterprise: Alternative source of income for Tennessee small farmers. MS Thesis, Tennessee State University, August 2015, Azubuikwe Ezeadum (Thesis Committee Member, **P. Illukpitiya**)
21. An examination of the Tennessee goat meat industry: Structure, Performance and Growth Opportunities. MS Thesis. Tennessee State University, August 2015, Allan Denkins (Thesis Committee Member – **P. Illukpitiya**)
22. Tennessee small farmer marketing problems. Evidence on the mitigating effects of agricultural cooperatives. MS Thesis. Tennessee State University, December 2014, Oladayo Onosa (Thesis Committee Member – **P. Illukpitiya**)
23. Tennessee goat meat processing. Opportunities and constraints. MS Thesis. Tennessee State University, August 2014, Clarence Pongo (Thesis Committee Member – **P. Illukpitiya**)
24. Impact of sub-optimal and supra optimal supply of macro and micro nutrients on romaine lettuce (*Lactuca sativa*) and coffee (*Coffea arabica*) plant growth. MS Thesis. Tennessee State University, August 2014, Grijia Vijayan (Thesis Committee Member – **P. Illukpitiya**)
25. Assessing factors influencing energy use and profitability of greenhouse operations in Tennessee, MS Thesis. Tennessee State University, spring 2014, Krisdan Ingrun (Thesis Committee Member – **P. Illukpitiya**)
26. Bio-products: Consumers' perception and buying behavior. MS Thesis. Tennessee State University, summer 2013, Swetha Bangari (Thesis Committee Member – **P. Illukpitiya**)
27. Green products and green marketing: Factors affecting consumers' purchases of green products. MS Thesis. Tennessee State University, spring 2013, Rajyalaxmi Donikini (Thesis Committee Member – **P. Illukpitiya**)

RESEARCH GRANTS

A. *EXTERNALLY FUNDED*

1. Fostering Sustainable Agriculture in Vietnam: Empowering Limited Resource Farmers to Improve Productivity, Increase Supplemental Incomes, Access to Local and Global Markets, and Reduce Environmental. Tran, D.L (PI), Co-PIs: **Illukpitiya, P** and Pitchay, D.
 Funding Agency: USDA Foreign Agricultural Service – Scientific Cooperation Research Program
 Funding Amount: US\$49,986
 Project Duration: 08/01/2024 – 07/31/2026

2. Resilience capacity of rural household's post COVID-19 pandemic in Tennessee: Food security policy implications. Tran, D.L (PI), Co-PIs: **Illukpitiya, P**, Khanal, A and Lawani, A.
Funding Agency: USDA-AFRI
Funding Amount: \$289065
Project duration: 07/01/2024 – 6/30/2024
3. Sustainable Herbaceous Energy Crop Production in the Southeast United States. Wilson, L.T (PI – Texas A&M) Co-PIs **Illukpitiya, P** (TSU), Fugan, D & Yan, Y, Rooney, W (Texas A&M), Baldwin, B, Morrison, J (MSU), Ana, H (USDA-ARS – Houston, TX), Jiffon, J (USDA-ARS – Weslaco, TX, Odero, C.D, Wright, A (University of Florida)
Funding Agency: US Department of Energy (DOE)
Funding Amount: \$5,000,000 TSU Sub-Award: \$249,975 – Illukpitiya, P (PI):
Project duration: 10/01/2018 - 08/31/2023
4. Developing Mungbean (*Vigna radiata*) (L) as Alternative Crop for Small and Medium-sized Farmers through Research and Outreach. **Illukpitiya, P.**, (PI)
Funding Agency: USDA-AFRI
Funding Amount: \$498,000
Project duration: 06/15/2020 - 06/14/2023
5. Open Source Market Consortium for Specialty Crops. **Illukpitiya, P.** (PI)
Funding Agency: Foundation for Food and Agriculture Research
Funding Amount: \$189,026
Project duration: 01/01/2022 - 12/31/2024
6. Enhancing Crop Productivity and Reducing Nitrous Oxide Emissions in Corn and Soybean Cropping Systems. Hui, D., (PI) Co-PIs: Li, J., **Illukpitiya, P** (TSU), Tian, H (AU); Fay, P., Smith, D. (USDA):
Funding Agency: USDA-NIFA
Funding amount:\$502,853
Project duration: 03/2022 - 02/2025
7. Enhancing food security, community and rural development for BFRDP program. Omondai, E., (PI), **Illukpitiya, P** and Reynolds, R (Co-PIs).
Funding Agency: USDA-NIFA
Funding amount: \$201,938
Project Duration: 08/2020 – 02/2022
8. Promoting BMPs in the nursery production systems for the Mid-South United States by providing planning and technical assistance (Pitchay, D (PI), Co-PIs: **Illukpitiya, P.**, Witcher, A., Rakshit, S and Pokharel, B).
Funding Agency: Natural Resources Conservation Service (NRCS)
Funding amount: \$1,585,023
Project Duration: 10/01/2016 – 9/30/2019
9. Children eating well (CHEW) smartphone application for WIC families (Hull, P (PD), Co-PI: Briley, C, Collaborators: **Illukpitiya, P**, et al.).
Funding Agency: USDA-AFRI
Funding Amount: \$5,000,000.
Duration: 3/2017-3/2021

10. Enhancing Food Security, Community and Rural Development and Sustainability for Beginning Farmers, Ranchers and Returning Veterans and their families in Tennessee (Bullock, F, Reynolds, R (PIs), Co-PIs: **Illukpitiya, P**, Clardy, Z, Ekanem, E and Stribling, F).
 Funding Agency: USDA-NIFA
 Funding Amount: \$470,832
 Project Duration: 10/2016 – 09/2019
11. Enhancing Economic Benefits & Sustainability of Small Business in Tennessee through Enterprise Diversification & Agritourism (Khanal, A (PI). Co-PIs: **Illukpitiya, P.**, Tegegne, F).
 Funding Agency: USDA-NIFA
 Funding Amount: \$230,000
 Project Duration: 04/2018 – 03/2021
12. An Integrated Approach to Mitigate Antimicrobial Resistance and Establishing Stewardship Programs in Small and Medium-Sized Farms (Kilonzo-Nthenge, A (PI), Co-Pis: Reginald, A., Nahashon, S., **Illukpitiya, P**, S., Broyles, T., Archer, R., and Ricketts, J)
 Funding Agency: USDA-AFRI
 Funding Amount: \$499,000
 Project Duration: 2018-2021
13. Sustainable utilization of winter oilseed crops in small-farm production systems to meet the needs of biodiesel (**Illukpitiya, P. - (PI)**, de Koff, J., Tegegne, F., Ekanem, E., Patras, A., Pitchay, D).
 Funding Agency: USDA-NIFA
 Funding amount: \$296,441
 Project duration: 09/01/2014 - 08/31/2017
14. An economic analysis of retail food environment and demand for fruits and vegetables in an Urban region in Tennessee (**Illukpitiya, P (PI)**, Khanal, A & Lim, K)
 Funding Agency: USDA-NIFA
 Funding amount: \$110,000
 Project duration: 09/01/2016 - 08/31/2017
15. Issues and Challenges in Sustainable Agricultural Research, Extension and Education for Farmers in Bangladesh (Nandawani, D (PI), Co-PIs Comer, S, **Illukpitiya, P**).
 Funding Agency: USAID
 Funding amount: \$150,000
 Project duration: 04/1015 – 03/2016
16. Implementing an Accessible Online Marketing Tool for Small and Mid-Sized Farmers. (Ekanem, E (PI), Co-PIs: Tegegne, F., **Illukpitiya, P.**)
 Funding Agency: USDA-AFRI
 Funding amount: \$499,000
 Project duration: 09/01/2014 - 08/31/2017
17. Building Extension capacity using a mobile biodiesel production platform (de Koff, J (PI), Co-PIs, **Illukpitiya, P.**; Ricketts, J.; Robbins, C.; Wade, A)
 Funding Agency: USDA-NIFA
 Funding amount: \$249,000 Project duration: 09/01/2012 - 08/31/2015

B. FORMULA FUNDED GRANTS

1. Assessment of production and costs efficiency of farm enterprises in Tennessee using stochastic frontier approach (**Illukpitiya, P**). Research project funded by Evans Allen Program: 10/2023 – 09/2026)
2. Economic impact of Covid-19 on Agrifood system in Tennessee (**Illukpitiya, P**). Research project funded by Evans Allen Program: 10/2010 – 09/2023)
3. Creating Economic and Business Opportunities for Small and Medium Sized Farmers through Integration of Alfalfa as Cover Crop (**Illukpitiya, P**). Research project funded by Evans Allen Program: 10/2017 – 09/2020)
4. Economics of short rotation woody biomass for bioenergy production (**Illukpitiya, P** Tegegne, F). Research project funded by Evans Allen program: 10/2014 – 09/ 2017.
5. Economic feasibility, energy efficiency and marketing of biomass feedstock production from C-4 grass species in Tennessee (**Illukpitiya, P**). Research project funded by Evans Allen program: 10/2011 – 09/ 2014.

SCHOLARSHIPS, LEADERSHIP, CITIZENSHIP

1. Focus Group Leader – Agribusiness – 2019 - 2023
2. Academic Advisor – Agribusiness – since 2021
3. Faculty Senate Representative, April, 2018 – 2020
4. Committee Member - Curriculum Review Committee: since 2014-2023
5. College Representative, Center for Economic Development and Entrepreneurship (CEDE), College of Business, TSU (2015-2020)
6. Faculty Senate Representative, April, 2018 – 2019
7. Students Appeal Committee – 2016-2018
8. Search Committee Chair (Assistant/Associate professor positions in Agriculture marketing, Consumer economics, International trade, Agribusiness Management and Academic 9-month teaching)
9. Lead in developing MS degree program in Agricultural Business and Leadership (2023)
10. Committee Member – International Affairs and Outreach: Serving since 2018
11. Committee Member - Curriculum Review Committee: Serving since 2014
12. Mentor - Summer apprenticeship program - 2017-2023
