

Andrella Kenner, Founder and CEO

Ms. Andrella Kenner is the Founder and Chief Executive Officer of CI² Aviation Inc., an award-winning Aerospace, Engineering, and Information Technology provider, delivering a full range of aviation, technology, management, and administrative support services to a global audience of public and private agencies. Founded in 1993 and headquartered in Atlanta, GA, with multiple offices throughout the U.S., CI² Aviation is the nation's only minority-owned, woman-owned business engaged in the provisioning of Air Traffic Control Tower services to the Federal Government.

Ms. Kenner has over 38 years of comprehensive senior level management experience in Finance, Marketing, Sales, and Information Technology. She has continued to maintain the same steadfast work ethic which has contributed to CI² Aviation's continued success as an Air Navigation Service Provider (ANSP). Since 1997 CI² Aviation has managed and operated Airport Traffic Control Towers in support of the Federal Aviation Administration's Contract Tower Program (FCT) and Department of Homeland Security (DHS), U. S. Military- supporting weather reconnaissance and Coast Guard operations. CI² Aviation is currently responsible for 27 air traffic control towers at airports in 9 states.

To date, CI² Aviation's most outstanding accomplishment has been and continues to be over 55 million aircraft operations over 25 years with no fatalities due to controller error. Most recently, the FAA awarded CI² Aviation with a contract valued at approximately \$142.6 million to provide mission- critical air traffic control services in Area 2, which consists of 25 airport air traffic tower facilities, as part of the FAA Contract Tower Program (FCT).

Under Ms. Kenner's leadership, CI² Aviation's excellent work ethic and commitment to integrity have led to numerous accolades, and resulted in groundbreaking successes for the company's clients, teaming partners and employees. CI² Aviation has garnered multiple industry respected awards in an array of categories within the Air Traffic Control Association (ATCA) and is a Pilot's Choice award winner for multiple years. In 2020, CI² Aviation was recognized as one of the top 3 businesses in the state of Georgia in the Sustainable Business category with the Cox Family Business Enterprise.

Ms. Kenner has received countless individual awards and honors. Most recently, she was awarded the *Conference of Minority Transportation Officials "Women Who Move the Nation" Award in Aviation. In 2022, Ms. Kenner was the proud recipient of the AMAC Chairman's Award, the ATCA Annual Outstanding Achievement Award for Small Business, and the AAAE (USCTA) Leadership Award. In 2021, she was inducted into the Atlanta Business League's Hall of Fame, and in the same year, she was a recipient of an AMAC Catalyst Award. Consecutively for the past 5 years, Ms. Kenner has been selected by the Atlanta Business League as one of "Atlanta's Top 100 Black Women of Influence". Other awards and honors include:

- *White House Expert Panelist for The Women in Transportation Initiative
- *National Black Coalition of FAA Employees "Bessie Coleman" Award
- *Conference of Minority Transportation Officials "Women Who Move the Nation" Honoree
- *Delta Sigma Theta Sorority "Trailblazers in Science, Technology, Engineering and Math (STEM)

Ms. Kenner also led CI² Aviation as part of a team on a 19 -year contract to support the Federal Aviation Administration (FAA) IFMS Data center. The IT team built and maintained a secure IFMS data center that supports the FAA's Telecommunications Infrastructure (FTI) program office.

Ms. Kenner is the Chairman of the Board for the Atlanta Business League (ABL). She also serves on the Board for the Atlanta Convention & Visitors Bureau (ACVB). She is a Policy Board Member for American Association of Airport Executives/ United States Contract Tower Association (AAAE/ USCTA). She is a Board member for the Airport Minority Advisory Council Foundation (AMAC). She is a Corporate Committee Voting Member with the American Association of Airport Executives (AAAE).

Ms. Kenner serves as a Team Leader for the EY Masterminds Program. She is also a member of the Conference of Minority Transportation Officials (COMTO), a member of the Airport Minority Advisory Council (AMAC), and a member of the Air Traffic Control Association (ATCA). Ms. Kenner is also a former Board member for GRTA (Georgia Regional Transportation Authority). She is also a former member of the DeKalb County Pension Board.

Ms. Kenner, a native of Nashville, TN, is a proud graduate of Tennessee State University where she earned her Bachelor of Science degree. She is a proud alumnus, serving as a Tennessee State University Foundation Board Member. While at TSU, she pledged the Alpha Chi chapter of Delta Sigma Theta Sorority, Inc. Ms. Kenner earned her Master of Business Administration (MBA) Finance from Roosevelt University, Chicago, Illinois.
