

RICK L. STEVENS, FACHE

Senior Healthcare Executive

Mr. Stevens is a quality, result focused, Senior Healthcare Executive with 25+ year history of deploying evidence-based data to drive profitability and patient, physician and employee satisfaction at multi-facility and single-hospital health systems. Strategized and executed multimillion-dollar turnarounds through redesign and revenue enhancement initiatives. He is a high-energy leader known for eliciting top performance from direct reports through goal setting, mentoring and accountability. Out-of-the-box thinker who makes order out of chaos and meets challenges with “get-it-done” enthusiasm.
