Because of circumstances which require that the lists of names be furnished the printer in final form approximately one week prior to Commencement, it is possible that one or more of the candidates listed herein may have been unable to complete all requirements for the degree. Inability to remove a name at the last moment does not commit the University to grant the diploma to a person thus listed in error.

Alma Mater

L. M. Averitte

Clarence Hayden Wilson

In the land of golden sunshine, By the Cumb'land's fertile shore.
Stands a school for greatest service One that we adore.
Alma Mater, how we love thee, Love thy white and blue
May we strive to meet Thy mandates With faith that's true.

America the Beautiful

O beautiful for spacious skies,
For amber waves of grain,
For purple mountains majesties
Above the fruited plain
America! America! God shed His
Grace on Thee
And crown thy good with brotherhood
From sea to shining sea.

O beautiful for heroes proved
In liberating strife,
Who more than self their country
loved,
And mercy more than life.
America! America! May God thy
gold refine
Till all success be nobleness
And every gain divine
