No Show Appointments

DATE	CARE UNIT	SERVICE/COURSE	COMMENT	ORGANIZER	REPORT FILED?
10/12/2018 11:30 AM	Advising Whitehurst University	General Advising		White, LaToya	NO SHOW
10/19/2018 11:40 AM	Advising Whitehurst University	Degree Planning		Cavise, Fiona	NO SHOW

The No Show Appointments section lists all scheduled appointments where the staff member marked as student as *no-show* that you have permission to view.

Filter the list by Care Unit using the dropdown menu. You can also export no show information to Excel using the **Actions** menu.

Notice the green banner at the top of this section. Navigate360 displays the total number of no show appointments since a specific time and date. Many institutions may configure rules as to how many no shows a student can have before the system will prevent them from scheduling additional appointments. No show configurations are managed at the Care Unit level and are available to set in the Configurations tab, in Care Units, under the Appointment Scheduling section.

Within this green banner you can select two actions, depending on your user permissions:

- **View Constraint Details.** Selecting this option will display a pop-up screen with the specific no show constraints, configured at the Care Unit level.

ADVISING WHITEHURST UNIVERSITY NO SHOW CONSTRAINTS

Janeth Celadon's Constraints

Janeth Celadon cannot schedule additional Advising Whitehurst University after meeting or exceeding any of the following constraints:
3 no shows in the past 95 day(s)

- **Reset No Show Counter.** Selecting this option will reset the counter of no shows to zero and allow the student to schedule again within Navigate360, if they had exceeded the limit. A browser pop-up screen will prompt to make sure you want to take this action, before resetting the counter.
